

**Sysco Sustainable  
Integrated Pest Management Program**

---

***CERTIFICATE OF SUPERIOR AUDIT  
ACHIEVEMENT  
2021 Crop Year***

*Siam Food (2513) Co. Ltd*

Has completed the Sysco Sustainable/Integrated Pest Management audit at their (Chonburi, Thailand) location on (June 29, 2022).

We appreciate the participation in this program that is intended to promote environmental stewardship by protecting ecologically sensitive areas, improving air, water and soil quality, reduce, reuse and recycle resources, conserve energy and minimize agrochemical inputs.

Neil Russell  
Sysco Corporation
