Quality and Food Safety Policy

Siam Food (2513) Company Limited is a leading food manufacturer in Thailand. We commit to develop and produce safe, authentic and high quality food products that comply with international regulations, food standards, code of business conduct, meet and exceed customer's specifications and expectations. We always endeavor to satisfy the company's stakeholders with a long-term commitment to sustainability.

We establish this policy for all employees to implement and maintain:

1. Work in accordance to and in support of the goals and objectives of the organization and the company's strategic direction.
2. Set and regularly review the quality and food safety objectives for the organization.
3. Commitment to produce food products that meet customer specifications, food safety, authenticity, comply with international regulations and meet all requirement of the quality management system, food safety and integrity.
4. Commitment to continual improvement of the quality and food safety management system.
5. Commitment to define, development and continuing improvement of a food safety and quality culture.

The company communicates this policy to all employees and concerned stakeholders.

A handwritten signature in blue ink, appearing to read "Suwicha Boonsupa".
